

Unleash Smarter Contract Management

We **empower** project teams with a seamless approach to contract management. Our platform ensures **consistent communication**, **reliable contract management**, and real-time **project performance monitoring**.

The **complete** contract management toolkit.

Contract management made easy

Prebuilt templates and workflows simplify the setup of NEC, JCT and FIDIC contracts, configurable to meet your precise project needs

Easy to use

Reduce risk

100% compliance

Select a template

You can begin with a pre-formatted template and modify it to suit your need. Or you can begin with a blank template

☐ Bespoke contract

☒ **NEC4 ECC Option A**

☐ FIDIC Yellow Book

☐ Blank template

Your team's activity This week

	ACCEPTED PROGRAMMES	EWN TO CE RATIO	% MITIGATED EWN	REPLIES ON TIME
SEAN	100%	80%	70%	100%
LAURA	90%	75%	75%	90%
STEVE	100%	70%	75%	100%
LIZ	100%	50%	0%	100%
	100%	25%	100%	30%

Lia replies to notices within contractual timescale but has no mitigation plans in place for early warnings.

Contract Coaching

Coach your people into project pros. Our AI-driven coaching solution empowers managers to replicate success and turn data into coachable moments.
